GAETANO'S WINE

With over 800 wine grape varieties, 20 uniquely designated winegrowing regions, and hundreds of years of winemaking history, Italy's wine scene is a glorious adventure from grape to glass.

It is an adventure that Gaetano's bring to your table with its carefully selected range of Italian wines. We use all our experience as restaurateurs and the innate sense of what makes a great wine from our Italian heritage, to source the very best wines from Italy's top wine-growing regions.

Tuscany and Piedmont represent Italy's most celebrated duo in terms of regional recognition and production, with the collective Tre Venezie (the 'three Venices') of Veneto, Trentino-Alto Adige and Friuli rounding out the dominant Italian wine region players.

All of Italy (and a few specials from elsewhere) is represented here on Gaetano's outstanding wine list - prepared with love and passion especially for you. Godere! Enjoy!
